This iconic community gathering place for shopping and entertainment is in the midst of a transformation! Standing out from the myriad grocery-anchored strip centers on the Dundalk community peninsula is the renovated and reenergized Merritt Park.

Continuing its long standing heritage within the amazing fabric of the Dundalk community since opening in 1960, the remodel of this property celebrates 1960 retail architecture and embraces what made local retailers the backbone of American business – its strong ties to the local community they serve.

Merritt Park's strengths will be the reason you will not only find your customers spending time and shopping at Merritt Park; it will be the reason you will want to locate your store here. Three principal reasons for locating your store at this iconic community-oriented property include:

- The dominant, community-centric location
- The new merchandising program built to celebrate the local shopper
- The area is densely populated and our customer profile is "starved" for a new retail shopping environment targeted to the Dundalk community.
