## Project Overview

**Baltimore Peninsula** seeks to be America's first purpose-driven impact community - a new category of urban development and community anchored in equity and opportunity.

This transformational development opportunity has the scale and ambition to lift Baltimore and create a model for urban redevelopment.

Baltimore Peninsula is a public/private partnership of historic significance. "Chapter One" is 1.1m square feet of development, consisting of five eight story structures; two Class A office buildings, Roost extended stay hotel & apartments, Rye House luxury residential and 250 Mission residential and structured parking deck.

Chapter One is the first phase of what will eventually be over 13m square feet of commercial and residential development.

Neighboring uses include: Under Armour World Headquarters + 25,000 square foot retail brand house, NCAA track and turf field and grandstand and supporting adjacent office and R&D, two marinas with approximately 200 slips, Volo Sports, Rye Street Tavern (Clyde's restaurant group), Sagamore Distillery, Nick's Fish House and Locke Landing, an 800 unit apartment and garage townhome community delivering starting 2024.
